Three revised draft notifications in place of G.D. draft notifications at pages 23-25 are sent herewith.

2. Draft notification I at p. 23 ante :-

(a) Clause (a) (iv) of the General Department draft notification on page 23 ante seeks appoint all medical practitioners registered under the Bombay Medical Act, 1912, to be Inspectors of Lepers under the Lepers Act. All registered medical practitioners cannot be appointed as Inspectors since Inspectors will have certain duties to perform e.g. under the proviso to section 9(3) and under section 10. Moreover, it cannot be the intention of the General Department to appoint all medical practitioner s in the Province as Inspectors. It is necessary to specify the particular medical man that are proposed to be appointed, and G.D. should therefore do so.

(b) Whereas the notification that is being superseded appointed certain persons to be Inspectors generally, the General Department draft seeks to appoint Inspectors for the Kondhwa Budruk Asulum, Section 4 of the Act does not envisage such appointments. The appointments should be made either for an area (not an Asylum) or generally, The

draft accordingly provides for appointing Inspectors generally, If however it is intended to appoint the Inspectors of Lepers for Poona District only, the draft can be suitably amended.

(c) Since the revised draft seeks to appoint Inspectors of Lepers generally, and clause (b) of G.D. draft on p. 23 ante provided for appointment of the Superintendent of the Asylum it would be more appropriate to split up the notification. Revised draft notification I accordingly provides for appointment of Inspectors and revised draft notification II provides for the appointment of the Superintendent

3 . A revised draft notification in place of C.D. draft notification at pages 27-32 containing rules for the Leper Asylum at Kondhwa Budruk is sent herewith.

4. G.D. draft rules 6 (ii) and 7 have been omitted in view of the provisions of section 241 of the Government of India Act, 1935.
